Receipt 2020-2024

ABOUT ME

An inspiring character designer and animator who loves fun, exciting stories. Inspired by my childhood animation TV shows, I aim to bring diverse characters to life for a family-friendly audience. My experience lies in animation, storyboarding, and character design.

Whenever I'm not drawing, I enjoy sewing, creating dolls, writing within my schedule, and playing video games of many genres!

WORK EXPERIENCE

○ June 2025 - August 2025
PAFA | Summer Job

Teacher's Assistant

- Assist with instructional support by closely with students 1:1 and within small groups
- Promoted a positive camp experience by aiding in classroom management to ensure positive behavior and enforce rules/classroom routines
- Supervised students during lunch and ensure the safety of campers during dismissal
- Provided emotional support and encouragement for all campers
- Communicated information to supervisors, lead teachers, and other TA's regarding situations involving campers.

○ July 2023 - August 2024
Moore College of Art and Design | Summer Job
Continue Education Student Assistant(CESA)

- Helped facilitate activities during work hours and assigned break time
- Acted as a peer teacher during assigned work-study hours
- Completed daily check-in for teachers, supplied art kits for each class and student along with other CESAs

○ May 2023- August 2023
Necessary Behavior | Remote Internship
Animation Intern

- Created high-quality animation for podcasts and social media channels
- Consistently communicated feedback, directed the next step, and provided clear goals for the team globally online.
- Self-directed projects without supervision.
